

Galois_LFSR.h

```
graph TD; A[Galois_LFSR.h] --> B[iostream]; A --> C[random];
```

The diagram illustrates a header file dependency. At the top, a gray rectangular box contains the text 'Galois_LFSR.h'. Two dark blue arrows originate from the bottom edge of this box. One arrow points diagonally down and to the left, terminating at a white rectangular box containing the text 'iostream'. The other arrow points diagonally down and to the right, terminating at a white rectangular box containing the text 'random'. All boxes have a thin black border.
